

Electrical Installation Course

City & Guilds 2357 NVQ 3 Diploma

Knowledge Units assessed by:

- *Online Exams*
- *Written Assignments*

Unit 601
Health & Safety

Unit 602
Environmental Legislation & Technology

Unit 603
Overseeing & Organising Work

Unit 604
Planning & Selection for Electrical

Unit 605
Preparation & Installation of Wiring

Unit 606
Terminations & Connections

Unit 607
Inspection, Testing, Commissioning and

Unit 608
Diagnosing & Correcting Electrical Faults

Unit 609
Electrical Principles

Performance Units assessed by:

- *On-site Observations & Witness Testimony*
- *Professional Discussions*

Unit 311
Health & Safety

Unit 312
Environmental Legislation & Technology

Unit 313
Overseeing & Organising Work

Unit 315
Planning, Preparing & Installing Wiring

Unit 316
Terminations & Connections

Unit 317
Inspection, Testing, Commissioning and

Unit 318
Diagnosing & Correcting Electrical Faults

Unit 399
Electrotechnical Occupational
Competence Test (AM2 Test)
